# 2019 SHARIF SCHOLAR AWARD SCHOLARSHIP & BURSARY

## **DESCRIPTION OF THE AWARD**

This scholarship is instituted in the memory of Syed Shariful Hasan Naqvi.

The Sharif Scholar organization believes that children should have access to profound opportunities limited only by their imagination. Yet lower incomes for some parents, especially immigrant parents trying to find a foothold in this country should not result in the denial of opportunities to their children.

Canada offers its citizens a high standard of living, and a robust education system. The Sharif Scholar program wants to provide an opportunity for the those children of immigrants, who need a little support, to imagine their own futures in this country, and through that success contribute and give back to the country that has itself given them so much.
